Dear friend Garrison;

I have been trying to  
get time to see you, but so far it has  
been impossible. We are renewedly  
thankful for your letters. I shall

get time to see you soon, I doubt not.

I wish to have you read the  
letter of E. W. S. on Louisiana  
matters. It was in yesterday's  
"Journal", tho' in awfully

small type, - published at request  
of some of the members of the Com. on  
Fed. Relations. E. W. S., as you

may know, is a very prominent  
lawyer in New York city, and a  
Democrat. — Now, while I am  
writing, it occurs to me that I may have  
sent you a "Globe", containing same letter.  
I hope I did, as the type is better.

Very kind regards to you with Love. Yrs. S. M.
